With reference to your endorsement No L1 Pr 48/52-53 dated 3rd January 1953, I beg to state that I am a poor widow with an old mother and 6 children I do not have any other source of living as this is the only property left by my late husband and I thought of constructing a small house on the same for the benefit of my poor children

Since your honour wants this small site for public use, I request that my case may please be considered sympathetic and thus gave me another site (piece of land) either in Nilsandra or any other place in the Civil Station in compensation to mine, which act of kindness, I shall remain ever grateful to you

Thanking you in anticipation
